

Letter of Music Training

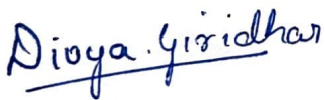

To Whom It May Concern,

This is to certify that Pradhyumna Prakash has been learning Carnatic vocal music under my guidance from 2021 to 2024. He has been an exceptionally dedicated student with great passion for this art form.

He has sung in several cultural and social gatherings, showcasing his musical talent with confidence and grace. Some of his notable performances include Gaanotsava 2023 and Raghavendra Aradhane 2023 held in Shri Raghavendra Mutt, Jayanagar, Bangalore.

It has been a pleasure to teach him, and I am confident that he will continue to excel in his musical journey.

Sincerely,

Divya Giridhar
